Universidade do Minho

Escola de Engenharia

Master's in Industrial Electronics and Computers Engineering
University of Minho

8081 C Compiler

Professor: Adriano Tavares

Index

1 Project Plan

A project on the master's in industrial Electronics and Computers Engineering by the professor Adriano Tavares. 2024/2025

2

2   Analysis

2.1   Software Analysis

2.2   Hardware Analysis

2.3   System Events

2.4   Use Case Diagram

2.5   State Diagram

2.6   Sequence Diagram

A project on the master's in industrial Electronics and Computers Engineering by the
professor Adriano Tavares. 2024/2025

4

3   Design

A project on the master's in industrial Electronics and Computers Engineering by the
professor Adriano Tavares. 2024/2025

5

4   Implementation

A project on the master's in industrial Electronics and Computers Engineering by the professor Adriano Tavares. 2024/2025

6

5   Gantt Diagram

A project on the master's in industrial Electronics and Computers Engineering by the professor Adriano Tavares. 2024/2025

7

6 Bibliografy

A project on the master's in industrial Electronics and Computers Engineering by the
professor Adriano Tavares. 2024/2025
